

OUR MISSION

To extend Christian Hospitality through a continuum of care to those in need or at risk, regardless of race or religious belief.

OUR VISION

To grow in strength, excellence and creativity in caring for others.

OUR VALUES

Healthy Relationships

In a spirit of compassion, we work in supportive partnerships and open our hearts to others by affirming their goodness and potential.

Hospitable Environments

We provide safe, comfortable communities inspiring involvement, where people experience a sense of caring, belonging and purpose.

Servant Leadership

We lead through giving of ourselves in service to others, by acting with courage in a trustworthy and ethical manner.

Good Samaritan Hillside Village

Offering Complex Care
in a unique setting in the
community of Salmon Arm.

The Good Samaritan Society (GSS) and Good Samaritan Canada (GSC) are leading faith-based, not-for-profit, registered charities in Western Canada that provide quality accommodations, health, and community care services and programs.

Our organization has developed and implemented innovations in care and housing and provides support and services to help all residents feel at home and become an integral part of the local neighborhood.

The entire community benefits from the unique contributions and interests of those who reside, work, volunteer, and visit the building. Together, our goal is to create a friendly, home-like community.

Care Cottages

These cottages provide a home-like environment that is suitable for residents living with dementia, and for others that require more medical and physical assistance. Bedrooms are available with ceiling lifts should the resident require the assistance.

The care home houses 112 residents throughout seven buildings located in a unique courtyard setting that has all the appearances of a community neighbourhood. There are 6 cottages that are similar to a duplex. Each side of the duplex has six bedrooms, a kitchen, dining room, living room with fireplace, secure access to a fenced courtyard, and bathing and laundry rooms. Each bedroom has an ensuite bathroom complete with a wheelchair roll in shower. Residents are encouraged to furnish their own room with “home” furnishings.

There is one additional larger building for 40 residents. This building also houses our administration offices, a larger kitchen and activity rooms, and a chapel.

Good Samaritan Hillside Village is a licensed care home intended for those residents of Salmon Arm and the surrounding communities that can no longer live in their own home or require 24-hour care and support. Admission to our residency program is through Interior Health’s Community Services department. Residents wishing to be considered for this program should discuss this option with Interior Health.

For more information about admission, please contact the Shuswap Community Care Health Services at 250-832-6643.
