# Good Samaritan Village by the Station

A unique community offering seniors  
multiple levels of support and the  
opportunity to age in place.

The Good Samaritan Society (GSS) and Good Samaritan Canada (GSC) are leading faith-based, not-for-profit, registered charities in Western Canada that provide quality accommodations, health, and community care services and programs.

Our organization has developed and implemented innovations in care and housing and provides support and services to help all residents feel at home and become an integral part of the local neighbourhood.

The entire community benefits from the unique contributions and interests of those who reside, work, volunteer, and visit the building. Together, our goal is to create a friendly, home-like community.

### Long Term Care

Good Samaritan Village by the Station includes 60 private long term care rooms, each with a bathroom and wheelchair accessible shower. Good Samaritan Canada will provide a hospital style bed, night table, dresser and side chair, lamp, pictures, quilt or bedspread, to personalize their room.

Good Samaritan Canada and Interior Health Authority (IHA) work together to coordinate the placement of appropriate clients to Good Samaritan Village by the Station.

### Dementia Care Cottages

Each of the four dementia care cottages is a unique duplex designed to create a home-like setting for up to 10 people living with dementia. Each half of the duplex has five bedrooms, living room with fireplace, kitchen, and secure access to a fenced yard. Residents are included in the events of daily living to the extent that they are accustomed and able. Admission is coordinated through the IHA Community Case Manager.
