We do this by:

- **communicating** openly and sincerely;
- showing **compassion** to others;
- upholding **dignity**;
- **supporting** the potential in everyone.

## HOSPITABLE ENVIRONMENTS

We provide safe, comfortable communities inspiring involvement, where people experience a sense of caring, belonging and purpose.

We do this by:

- putting **people first** before tasks;
- providing **home-like** surroundings;

## Supportive Living

Lee Crest offers a total of 95 Supportive Living (SL) suites; 60 private studio suites for single persons, 6 one-bedroom suites for couples, 24 private dementia care rooms and 5 community support beds.

The SL program promotes privacy, dignity, independence, individuality, freedom of choice, and a home like environment.

Residents are encouraged to furnish and personalize their suite with their own belongings. Residents pay an accommodation fee, which includes three meals plus snacks, housekeeping and linen service, and TeleCare (an emergency response service).

Optional services include:

- personal laundry service
- cable
- parking

The program offers residents 24-hour on-site personal care, with professional support of Licensed Practical Nurses. Support from extended professional services, such as registered nursing, physical therapy and occupational therapy are provided through community care and Alberta Health Services.

## Dementia Care

Our dementia care program is designed after The Good Samaritan Society's unique cottage model and offers a home like environment. There are 24 dementia care rooms at Lee Crest with private bathrooms. Common areas include a living room, kitchen, and access to a secure fenced yard. Clients are included in the events of daily living to the extent that they are accustomed and able. Admissions are coordinated through Alberta Health Services Access Centre (403) 388-6380.

## Admission

Admissions are coordinated through the Alberta Health Services Regional Access Centre, phone (403) 388-6380. To qualify for admission into Designated Assisted Living, residents are first assessed by Alberta Health Services.

## Pre-admission Visits

We encourage all prospective residents and their immediate family members to visit our facilities prior to admission. Appointments for a tour prior to admission are encouraged and may be made by calling (403) 653-2034. The visit allows for an exchange of information and discussions regarding expectations on the part of the resident and the care facility.
