Mountainview Village,
Owned and operated by
Good Samaritan Canada,
is a unique community offering
multiple levels of support and
the opportunity to age in place.

Complex Care

Mountainview Village includes 90 private complex care rooms in a two storey building. The main floor of the building is intended for clients with Alzheimer's or dementia and is designed after The Good Samaritan Society's unique cottage care model. Each room is equipped with a bathroom and wheelchair accessible shower. The Good Samaritan Society will provide a hospital style bed, night table, dresser and side chair. Residents are encouraged to bring some of their own belongings, such as a chair, lamp, pictures, quilt and/or bedspread to personalize their room.

The complex care program is intended for residents that can no longer be supported independently in the community and require 24-hour professional care. Admissions are coordinated through the Community Care Services division of Interior Health (250) 980-1400.

Assisted Living

The Assisted Living program at Mountainview Village consists of 89 one-bedroom suites. The assisted living program is specifically designed for seniors and young adults with disabilities. As Interior Health and BC Housing subsidize

this program, residents pay 70% of their net income per month. This charge includes rent, care, 2 meals per day, weekly housekeeping and linens and TeleCare (a 24-hour emergency response service). Residents furnish and personalize their suite with their own belongings. Residents have the flexibility to prepare breakfast or lunch in their own suite, if they choose. Optional services include breakfast or lunch, personal laundry service and cable.

To qualify for admission to the Assisted Living program, an assessment must be conducted to determine if individuals are suitable candidates. Application and assessment for admission is coordinated through Interior Health Community Care Services (250) 980-1400.

Independent Living

Mountainview Village offers 83 independent living apartments available to seniors without any requirement for a community health assessment. A variety of floor plans are available ranging from 567 sq. ft. one-bedrooms to 1546 sq. ft. two-bedrooms with two bathrooms. Each apartment is equipped with a kitchen, appliances included, a spacious three-piece bathroom, ample storage, and large bright windows. Life Lease residents furnish their suites to suit their personal tastes and lifestyles. Optional services include meals, housekeeping, laundry and parking.
