Designated Assisted Living

Prairie Ridge offers a total of 55 Designated Assisted Living (DAL) suites; 39 private studio suites for single persons, 4 one-bedroom suites for couples and 12 private dementia care rooms.

The DAL program promotes privacy, dignity, independence, individuality, freedom of choice, and a home-like environment.

Residents are encouraged to furnish and personalize their suite with their own belongings. Residents pay an accommodation fee, which includes three meals plus snacks, housekeeping and linen service, and TeleCare (an emergency response service).

Optional services include:

- personal laundry
- cable
- parking

The program offers residents 24-hour, on-site personal care with the professional support of Licensed Practical Nurses. Support from extended professional services, such as registered nursing, physical therapy and occupational therapy are provided through community care and Alberta Health Services.

Dementia Care

Our dementia care program is designed after The Good Samaritan Society's unique cottage model and offers a home-like environment. There are 12 dementia care rooms at Prairie Ridge with private bathrooms. Common areas include a living room, kitchen, and access to a secure, fenced yard. Clients are included in the events of daily living to the extent that they are accustomed and able.

Admission

Admissions are coordinated through the Alberta Health Services Regional Access Centre, phone 403-388-6380. To qualify for admission into Designated Assisted Living residents are first assessed by Alberta Health Services.

Pre-admission Visits

We encourage all prospective residents and their immediate family members to visit our facilities prior to admission. Appointments for a tour prior to admission are encouraged and may be made by calling 403-752-3441. The visit allows for an exchange of information and discussions regarding expectations on the part of the resident and the care facility.
