Good Samaritan Stony Plain Care Centre

A unique seniors' retirement
community offering Long Term Care
and Dementia Care services.

The Good Samaritan Society (GSS) and Good Samaritan Canada (GSC) are leading faith-based, not-for-profit, registered charities in Western Canada that provide quality accommodations, health, and community care services and programs.

Our organization has developed and implemented innovations in care and housing and provides support and services to help all residents feel at home and become an integral part of the local neighbourhood.

The entire community benefits from the unique contributions and interests of those who reside, work, volunteer, and visit the building. Together, our goal is to create a friendly, home-like community.

Long Term Care

Good Samaritan Stony Plain Care Centre includes 126 private, Long Term Care rooms, each with a private bathroom and wheelchair accessible shower. The Good Samaritan Society will provide a hospital style bed, night table, dresser and side chair. Residents are encouraged to bring some of their own belongings, such as a chair, lamp, pictures, quilt or bedspread, to personalize their room.

For more information on how to qualify for admission, contact Alberta Health Services (AHS) at 780-496-1300.

Dementia Care Cottage

The dementia care cottage is a unique duplex designed to create a homelike environment for 30 residents with Alzheimer's or other forms of dementia. Each side of the cottage consists of 15 bedrooms, a kitchen, dining room, living room with fireplace, TV lounge, bathing and laundry rooms, and access to a secure courtyard.

Resident bedrooms have an ensuite bathroom complete with a wheelchair roll-in shower, and a large closet that includes locking storage.

A Community Care Nurse will assess persons seeking admission to the dementia care cottage at Good Samaritan Stony Plain Care Centre. All assessments are reviewed and prioritized by AHS.

For more information on how to qualify for admission, contact AHS at 780-496-1300.
