

OUR MISSION

To extend Christian Hospitality through a continuum of care to those in need or at risk, regardless of race or religious belief.

OUR VISION

To grow in strength, excellence and creativity in caring for others.

OUR VALUES

Healthy Relationships

In a spirit of compassion, we work in supportive partnerships and open our hearts to others by affirming their goodness and potential.

Hospitable Environments

We provide safe, comfortable communities inspiring involvement, where people experience a sense of caring, belonging and purpose.

Servant Leadership

We lead through giving of ourselves in service to others, by acting with courage in a trustworthy and ethical manner.

**Enriching the lives
of those we serve
and those that
serve with us.**

Good Samaritan Delta View Care Centre

A campus of care offering multiple
levels of support in the
community of Delta.

About Good Samaritan Canada

Good Samaritan Canada (GSC) is a leading faith-based, not for profit, registered charity in Western Canada that provides quality accommodations, health, and community care services and programs to aging individuals in need.

GSC has developed and implemented innovations in care and housing and provides support and services to help all residents feel at home and become an integral part of the local neighbourhood.

The entire community benefits from the unique contributions and interests of those who reside, work, volunteer, and visits the care home. Together, our goal is to create a friendly, home-like community inspiring involvement.

Good Samaritan Delta View Care Centre is located in the beautiful community of Delta surrounded by serene farmland. Shopping, entertainment, bus service, and many parks are located just minutes away.

Life Enrichment Centre

The Life Enrichment Centre is a 212 bed multi-level complex care home. There are eight "homes" specializing in different levels of care. Each home has over 20 large single bedrooms and a few double bedrooms, all with private ensuite bathrooms. Each home also has separate television and patio lounges, activity rooms, seated lounges, a country kitchen, and cozy dining rooms. The homes are connected via the internal "Main Street" which also houses four assisted living suites, wellness and rehab centres, a spiritual centre, a home theatre, conference facilities, a billiards room, a coffee shop, outdoor courtyards, gardens, decks, and water features.

Habilitation Centre

The Habilitation Centre is an 80 bed complex consisting of 72 single bedrooms and four double bedrooms, and each room has a beautiful view of the surrounding landscape. Multiple homelike lounges, seating areas, and a quiet room are accessible through large, bright, continuous hallways. The Centre is designed in a diamond shape, which allows residents to wander freely and without restrictions. The Centre also features murals and motifs that calm and soothe residents, by disguising normal institutional nuances that may over stimulate the resident and impact their wellbeing. Within the campus, residents have access to educational facilities, wellness and rehab centers, a spiritual center, a home theatre, conference facilities, billiards room, outdoor courtyards and decks, a coffee shop, as well as an environmental park, gazebo and therapeutic gardens.

Assisted Living

Good Samaritan Delta View Care Centre's assisted living suites provide residents with a balance between maintaining their independence and receiving supports. Services provided include three meals per day and additional snacks delivered directly to your suite, weekly housekeeping and laundry, social and recreational opportunities, medication administration or assistance, and a 24-hour emergency response system. Supplementary services such as foot care, physiotherapy, and assistance with bathing and grooming can be provided at an additional cost. The suites contain a separate bedroom, living area, and kitchen. The windows look to the North and hold a view of the beautiful Delta View gardens and surrounding farmland.

Dementia Care

Good Samaritan Delta View Care Centre has the knowledge, skills, environment, and philosophy to accommodate residents with dementia. Staff are continually supported to enhance their understanding of dementia and to utilize the most recent evidence-based practice. We support an interdisciplinary approach to care and include families as a paramount part of a resident's care team.

Respite

Respite provides caregivers with a much-needed break from the emotional and physical demands of caring for a relative or friend while the resident can socialize in a safe and caring environment. Respite residents can take advantage of all the support, care, and services provided to our other residents such as 24-hour nursing care, assistance with activities of daily living, recreational activities, physiotherapy, and nutritious meals.

Rehabilitation

Provisions have been made within Good Samaritan Delta View Care Centre to provide comprehensive rehabilitation following such acute procedures as knee or hip surgery or for patients requiring post-stroke rehabilitation. For public admissions, please contact WorkSafeBC.

Admissions

Good Samaritan Delta View contains both Fraser Health Authority subsidized beds as well as the option to pay privately.

Access to Fraser Health Authority subsidized care beds and subsidized respite beds are managed by their Home Health Case Managers, who can be reached at 604-953-4965.

Arrangements for private pay care beds, rehabilitation beds, and respite beds can be made by contacting our Admissions Coordinator at 604-596-8842.
