

September 22, 2021

Dear Residents and Loved Ones of Good Samaritan Spruce Grove Centre,

I wanted to provide you with an update regarding the COVID-19 outbreak at Good Samaritan Spruce Grove Centre. Since our last communication to you on September 15, we have identified 1 additional resident case and 2 employee cases. Sadly, I must report that 1 resident has passed away from COVID-19. Each resident is part of the care home community, our organization extends the deepest sympathy to the resident's family and friends.

We continue to work closely with Public Health and all safety precautions currently in place will remain in place until further notice.

Please continue to remind your friends and family that virtual visits can still be arranged by contacting the care home, or visit our website (www.gss.org) to use our Well Wishes tool to send a message or photos to any resident in our care.

I know this may be a stressful time for you and therefore we are committed to providing weekly communications to you. In the interim, if you have any questions or concerns, please contact Lisa Miller, Site Manager at Spruce Grove Centre at (780) 431-3706.

Thank you,

Edythe Andison
Vice President and Chief Quality Officer
