Dear Residents and Loved Ones of Good Samaritan Garden Vista,

I'm happy to let you know that the COVID-19 outbreak at Good Samaritan Garden Vista was declared over by public health on November 6. Since my last letter to you on October 26, no additional cases of COVID-19 were identified and all residents and employees have now recovered.

As the COVID-19 activity continues in our surrounding communities we must all remain vigilant and follow public health guidelines and restrictions. This includes continuous masking for the duration of your visit inside our care home or out in the community.

We sincerely thank you for your support and understanding during this outbreak.

If you have any questions or concerns, please reach out to James Riedlhuber our Manager, Site and Clinical Services, at 403-752-3441 extension 57222.

Sincerely,

Candice Christenson  
Vice President and Chief Clinical Officer
