

September 23, 2021

Dear Residents and Loved Ones of Good Samaritan Hillside Village,

I wanted to provide an update to you since our last communication on September 16 regarding the COVID-19 outbreak at Good Samaritan Hillside Village. Currently we have 6 active employee cases and no active resident cases.

I assure you that our employees continue to remain diligent in following all of the provincial health orders in place. This is extremely important as we manage the fourth wave of this pandemic.

Once again, I am encouraging everyone eligible to get immunized against COVID-19 to do so as soon as possible. Immunization protects yourself and others and helps to prevent severe illness and hospitalization.

Thank you for your continued patience and understanding during this outbreak. It takes all of us working together to prevent the spread of COVID-19.

Sincerely,

Edythe Andison
Vice President and Chief Quality Officer
