

September 30, 2021

Dear Residents and Loved Ones of Good Samaritan Lee Crest,

Further to my last update to you on September 17, I wanted to provide you with an update regarding the outbreak at Good Samaritan Lee Crest. Currently we have 2 active resident and 2 active employee cases, 9 residents and 10 employees have recovered. I can assure you that our employees continue to remain diligent and follow all safety measures currently in place.

As a reminder, for those that are unable to come in to have a social visit, virtual visits can be arranged by contacting the care home, or visit our website (www.gss.org) and use our Well Wishes tool to send a message or photos to any resident in our care.

COVID-19 activity continues to rise in our surrounding communities and is a concern for many. If you are out in the community, we would encourage you to follow all public health guidelines and restrictions and continuously mask for the duration of your visit inside our care home or out in the community.

For any residents who have not been immunized and wish to be, or should you have any questions or concerns, please reach out to Logan McInnes our Manager, Site and Clinical Services, by calling (403) 653-2034 extension 51222.

We truly appreciate your support and understanding during this outbreak.

Sincerely,

Edythe Anderson
Vice President and Chief Quality Officer
