

October 15, 2021

Dear Residents and Loved Ones of Good Samaritan Linden View,

I wanted to provide you with an update regarding the COVID-19 outbreak at Good Samaritan Linden View. Since my last update to you on October 8, we have not identified any new cases of COVID-19. While this is great news, we remain diligent and are adhering to all safety precautions currently in place.

As a reminder, if there are residents that have not been immunized and would like to be, please connect with site management. The best defense against COVID-19 continues to be immunization and we strongly encourage you to get vaccinated as well if you have not already done so.

If you have any questions or concerns, please contact Laurel Stryda, Manager, Site and Clinical Services at (403) 223-6552.

We truly appreciate your continued support during this outbreak.

Sincerely,

Edythe Anderson,  
Vice President and Chief Quality Officer
