

October 29, 2021

Dear Residents and Loved Ones of Good Samaritan Linden View,

Further to the last letter to you on October 22, I wanted to provide you with an update regarding the COVID-19 outbreak at Good Samaritan Linden View. Through asymptomatic testing completed on October 22 we identified 1 additional resident case of COVID-19. Currently, we have 1 active resident and 1 employee case, 2 residents and 5 employees have recovered.

Although COVID-19 cases in the community are trending in the right direction, we have seen an increase in cases of unknown exposure. As a result, it is important that you are following public health restrictions and guidance out in the community to protect not only yourself but our residents from exposure. If you are unsure of the restrictions currently in place in your community please visit the Government of Alberta website at this link <https://www.alberta.ca/coronavirus-info-for-albertans.aspx>.

If you have any questions or concerns, please contact Laurel Syryda, Manager, Site and Clinical Services at (403) 223-6552.

We appreciate your continued support during this outbreak.

Sincerely,

Candice Christenson  
Vice President and Chief Clinical Officer
