

October 8, 2021

Dear residents and loved ones of Good Samaritan Mill Woods Centre,

Since my last update to you on October 1 regarding the COVID-19 outbreak at Good Samaritan Mill Woods Centre, we have identified 1 additional employee case of COVID-19. Currently we have no active resident cases, 4 residents and 1 employee have recovered. All safety precautions currently in place will remain in place until public health has declared the outbreak to be over.

As the COVID-19 activity continues to rise in our surrounding communities it is crucial that we all follow public health guidelines and restrictions to ensure the safety of our residents, families and employees.

As a reminder, social visits continue to be on hold at this time however virtual visits can be arranged by contacting the care home. You can also visit our website (www.gss.org) and use our Well Wishes tool to send a message or photos to any resident in our care.

If you have any questions or concerns, please reach out to Sathya Balasubramaniam, Manager, Site and Clinical Services at Good Samaritan Mill Woods Centre at 780-413-3501 ext. 3.

We appreciate your continued support and patience during this outbreak.

Edythe Andison
Vice President and Chief Quality Officer
