

September 30, 2021

Dear Residents and Loved Ones of Good Samaritan South Ridge Village,

As we progress through the COVID-19 outbreak at Good Samaritan South Ridge Village, I wanted to provide you with an update. Currently we have 2 active employee cases and 2 more employees have since recovered. We continue to work closely with public health officials and all precautionary measures will remain in place until further notice. I can assure you that our employees continue to remain diligent and follow all safety measures currently in place.

As a reminder, for those that are unable to come in to have a social visit, virtual visits can be arranged by contacting the care home, or visit our website (www.gss.org) and use our Well Wishes tool to send a message or photos to any resident in our care.

For any residents who have not been immunized and wish to be, or should you have any questions or concerns, please contact Christine Bailey, Site Manager, at (403) 528-5053.

We truly appreciate your support and understanding during this outbreak.

Sincerely,

Edythe Anderson,
Vice President and Chief Quality Officer
