

August 31, 2021

Dear Residents and Loved Ones of Good Samaritan Linden View,

Further to our previous communications to you on August 27th, I want to provide an update on the outbreak at Good Samaritan Linden View. Unfortunately, I have to report that we have identified one new employee case and one new resident case of COVID-19 at our care home. As such, we will remain on outbreak status. We will continue to keep in place the following public health recommendations:

- Residents that are not fully vaccinated will remain on contact/droplet precautions for the timeline defined by public health.
- Visitation is discouraged at this time.
- Enhanced screening of residents for symptoms twice daily.
- All asymptomatic residents on second floor were swabbed on August 30th.
- Enhanced environmental cleaning continues.
- End of Life/palliative visits will continue.
- Non urgent appointments are still on hold.
- PPE requirements remain in place.

As we see case numbers continuing to rise across the province, I would like to remind you that virtual visits can still be arranged by contacting the care home, or visit our website (www.gss.org) to use our Well Wishes tool to send a message or photos to any resident in our care.

If you have any questions or concerns, please contact Laurel Syryda, Site Manager for Good Samaritan Linden View at (403) 223-6552.

Sincerely,

Candice Christenson,
Vice President and Chief Clinical Officer
