

Designated Support Person/Essential Visitor  
Screening  
**UPDATED October 9, 2020**

**If an individual answers YES to any of the questions, they must not be allowed to enter.**

\*Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days as per [CMOH Order 05-2020](#) unless they receive a negative COVID-19 test and are feeling better. Use the [AHS Online Assessment Tool](#) to determine if testing is recommended; information on isolation requirements can be found [here](#).
