

January 13, 2021

Dear residents and loved ones of Good Samaritan Wedman House and Village,

Our current COVID-19 case numbers are as follows:

- There is one active resident COVID-19 case (located in cottage 1609).
- Eight residents have recovered.
- Sadly, one resident has passed away.
- There are no active employee COVID-19 cases.
- Eleven employees have recovered.

Outbreak protocols continue to be in place for our 1609 and 1603 cottages, and asymptomatic testing for residents was completed on January 11 with results pending. The next round of testing will occur on January 18. I can assure you that if a resident tests positive, their primary contact or legal health representative will be notified right away.

I am also happy to report that we are on track to have our residents vaccinated with the first dose of the COVID-19 vaccine on Thursday, January 14. If something changes, we will let you know right away.

Social visits continue to be on hold, and we are kindly asking all designated family and support visitors not to visit the care home unless deemed essential to the resident's well-being. If you are a designated visitor and must visit in person, please call the care home to schedule your visit in advance so we can continue to limit the number of people in the building at one time. Compassionate care visits (e.g. end-of-life) will continue as normal.

Please continue to reach out to the care home to arrange virtual visits or [www.gss.org/well-wishes](http://www.gss.org/well-wishes) to share photos and messages with those in our care. I want to assure you that our employees are doing everything they can to keep our residents safe and cared for. Please visit our website to see the most up-to-date case numbers in between our weekly updates: <https://gss.org/covid-19-outbreak-disclosure/>.

If you have any questions, please contact Leah Posteraro, site manager, at 780-413-3520. If you call and we do not answer right away, please leave a message, and I can assure you someone from the Wedman House and Village team will get back to you as soon as possible.

Thank you for your patience and understanding at this time.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Fielding', with a large, stylized flourish extending to the right.

Scott Fielding  
Vice President of Operations, Quality, and Clinical Supports
