Dear residents and loved ones of Good Samaritan Wedman House and Village,

Our current COVID-19 case numbers are as follows:

- Three active resident COVID-19 cases (all in cottage 1609).
- Six residents have recovered.
- Sadly, since the beginning of the outbreak, one resident has passed away.
- Seven active employee COVID-19 cases.
- Four employees have recovered.

While the increase in our recovered numbers is positive news, I want to assure you that our employees continue to work tirelessly to ensure all of our residents are kept as safe as possible while they receive the care they need. All outbreak protocols continue to be in place, and we are working closely with Alberta Health Services.

We are currently working with Alberta Health Services to coordinate the next round of asymptomatic testing. As usual, should any resident test positive, their primary contact or legal health representative will be notified immediately.

Social visits continue to be on hold, and we are kindly asking all designated family and support visitors not to visit the care home unless deemed essential to the resident's well-being. If you are a designated visitor and must visit in person, please call the care home to schedule your visit in advance so we can continue to limit the number of people in the building at one time. Compassionate care visits (e.g. end-of-life) will continue as normal.

Please continue to reach out to the care home to arrange virtual visits or www.gss.org/well-wishes to share photos and messages with those in our care.

During this difficult time, I want to assure you that our employees are doing everything they can to keep our residents safe and cared for. Please visit our website to see the most up-to-date case numbers in between our weekly updates: <https://gss.org/covid-19-outbreak-disclosure/>.

If you have any questions, please contact Leah Posteraro, site manager, at 780-413-3520. If you call and we do not answer right away, please leave a message, and I can assure you someone from the Wedman House and Village team will get back to you as soon as possible.

Thank you for your patience and understanding at this time.

Sincerely,
