

April 15, 2021

Dear residents and loved ones of Good Samaritan George Hennig Place,

We have been advised that a resident has tested positive for COVID-19, and so, our care home is now considered on a confirmed COVID-19 outbreak. I want to assure you that we are working closely with Alberta Health Services and are complying with the orders from the Chief Medical Officer of Health to take the necessary steps to protect the residents and employees at the care home.

Outbreak protocols are in place and include:

- All group activities and non-essential outings or services have been cancelled. Residents will receive one-to-one recreation.
- Enhanced cleaning is being conducted throughout the building.
- Residents and employees are undergoing additional screenings, including temperature checks. Employees will be monitoring residents closely for COVID-19 symptoms.
- Employees continue to wear a mask and face shield at all times.

In consultation with Alberta Health Services, asymptomatic swabbing for residents and employees is being arranged and ongoing frequency will be determined by the Medical Officer of Health. Should any resident test positive, both they and their primary contact or legal health representative will be contacted right away.

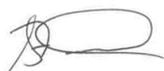

At this time, all social visits remain on hold. We are also asking all designated family and support visitors to please limit your visits to the care home unless deemed essential to the resident's well-being. If you must visit in person, please call the care home to arrange a time. Compassionate care visits (e.g. end-of-life) will continue as normal. I would strongly encourage you to reach out to the care home to arrange virtual visits or visit www.gss.org/well-wishes to share photos and messages with those in our care.

Moving forward, we will be providing you with weekly formal communications like this letter unless there is a significant change. In order to stay up-to-date on current case numbers, please visit our website (<https://gss.org/covid-19-outbreak-disclosure/>).

I want to thank you for your understanding as we implement the protocols that are necessary to keep our residents and employees safe. If you have any questions, please contact Lisa Miller, our site manager, by calling (780) 963-3403. If you call and we do not answer right away, please leave a message, and someone from the team will get back to you as soon as possible.

Thank you for your patience.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. Fielding', with a stylized flourish at the end.

Scott Fielding

Vice President of Operations, Quality, and Clinical Supports
