

August 20, 2021

Dear Residents and Loved Ones of Good Samaritan South Ridge Village,

Further to our previous communications to you, I want to provide you with an update on the outbreak at Good Samaritan South Ridge. I am happy to report that no additional cases of COVID-19 have been identified and, as a result, Public Health has declared the outbreak to be over. While this is excellent news, I can assure you that our employees remain diligent and continue to follow all of the Chief Medical Officer of Health directives.

We look forward to the resumption of social visits to the care home. Also, a friendly reminder that screening processes upon entry to the care home and continuous masking in common spaces are still required as part of the public health requirements.

Thank you for your patience and understanding as we've managed through this outbreak.

If you have any questions or concerns, please contact Ida Ronan, Assistant Site Manager for Good Samaritan South Ridge at (403) 528-5053.

Sincerely,

Edythe Andison
Vice President and Chief Quality Officer
